## **List of Additional Sponsored Events**

- Major Door Prize Sponsor (\$350) This would purchase a significant door prize to be handed out.
- Appetizer or Drink Ticket (\$175) This covers the appetizers that are available prior to the dinner. The drink ticket(s) would be distributed at check in and good for a drink during the day of the event. There is a need for 3 sponsors of each.
- Sponsor-A-Hole (\$125) We will have a custom made sign with the company logo telling the golfers who made the donation. These signs can be reused year after year. If your logo has changed, please send an updated copy.
- Door Prizes Submit any suitable summertime gift or golf related gift. Tickets to events are a wonderful idea. If you wish to donate cash, it would be used to purchase door prizes. We would like these 1 week ahead of the outing or notification of what you are bringing.

Again, all of these possible ways to contribute have been made available to help make this year's outing a memorable one. We promise to try to make sure your contribution will be recognized and appreciated.
